Memo to:

From:

Just a note to let you know that I am leaving on vacation on 19 August and will return on 6 September 1960. In case you were planning a visit here during this period for the purpose of reviewing the data we have purged, it might be best to delay such visit until I return since I am currently the only person familiar with its arrangement. I will get in touch with you upon my return.

Speaking of data, have you had a chance to review and sign the papers we submitted relative to materials disposition and overtime authorization. We would like to have them back, if so, in order to complete our arrangements here.

Regards,
